Change or renewal notification (DSE)

In accordance with Article 8b of the Electricity Supply Ordinance (ESO) for components of intelligent measurement systems for use on the Swiss market.

Relevant METAS-Cert Info DS03 *DSEC Revision Guideline METAS* (DSEC: Data Security Examination Certificates).

Applicant (manufacturer or authorised representative)

Company	
Department	
Street	
ZIP / City / Country	
Contact person	
Name	
Phone / Mobile / E-Mail	

Invoice (☐ is the same as applicant)

Company	
Department	
Street	
ZIP / City / Country	
Contact person	
Name	
Phone / Mobile / E-Mail	
E-Mail Finances / invoicing	

Affected component of an intelligent measurement system (iMS)

Information according to the "Guidelines for data security examination" 6030.50B01

No of DSE certificate	
Component designation	
Further information on the DSE component	

Scope of the revision:

☐ ToE not affected

☐ ToE affected in MINOR way

☐ ToE affected in MAJOR way

Scope of the renewal:

☐ ToE not affected

Applicant's description of changes / List of relevant supporting documents[1]

If applicable: Date of SW-/FW-changes:	
If applicable: New SW-/FW-Version:	
If applicable: New Checksum:	

☐ The adapted **SDCM** (6030.50F21) with the documents listed therein is submitted together with this change notification.

Applicant's comments:

[1] Documentation to be presented: New OTM, New description of OTT, New version of relevant TLM, Precise identification of version under revision

Application form

The applicant confirms the completeness of this notification and accompanying relevant documents and agrees to the requirements of the guidelines for data security examination 6030.50B01.

Place and date:

Legally binding signature(s):

Applicant submits this notification form to:

Responsible test laboratory:

Company
